CLASS REGISTRATION

In order to register for a class we require full advance payment. This can be done either on our website, in the Burwash Manor shop, or by telephone.

CANCELLATION POLICY

All our classes are non-refundable and non-transferable. We urge you to check your diary carefully prior to booking to ensure that you can attend. If circumstances change, and you are unable to attend, you can send someone else in your place, but you will need to let us know the name of the new student in advance. Or, if you notify us more than 14 days prior to the start of the class we can offer a transfer to another class of the same value, or a credit note to the value of the class which may be spent on anything we sell in the shop. In the unlikely event that a class is cancelled by Backstitch a full refund will be given. To enable us to run a class we require a minimum of three students. A class will be cancelled if we do not obtain this number. If we cancel a class you will receive a full refund of the class fees.

LOCATION AND PARKING

Classes are taught at Barton Village Hall which is 100m from our shop Backstitch at Burwash Manor. We ask you to park in the Burwash Manor Car park and register at the Backstitch shop 15 minutes before the start of your class. We will then walk over to the hall as a group. Please feel free to drive to the door of our shop to drop your machine off before parking. Please note there is not sufficient parking at the village hall. CLASS MATERIALS & EQUIPMENT

Materials are not included in the price. Please see list of materials below. It is your responsibility to prepare your materials so that you are ready to learn when the class starts. You may want to come into the shop in the days before the class and our staff will help you get together everything that you will need. Please be aware that you may not wish to purchase class materials until the minimum class number of three students has been reached.

Machine:	You will need to bring your own working sewing machine (bring the manual too if you have one). We no longer have class machines for you to borrow. You will also need a darning foot, or open toe embroidery foot for your machine.
Fabric:	You will need several 'quilt sandwiches' (two layers of cotton fabric with a cotton or polycotton batting between) on which to practice. You will need a minimum of 4 of these, with a minimum size of 10x10 inches. They could be made from a couple of fat quarters or from scraps of fabric.
Sketchbook:	You will need to bring a sketchbook or a few sheets of paper and a pencil.
Thread:	1 x reel of cotton thread. We recommend 40wt Aurifil cotton.
Haberdashery:	You may find it useful to bring your own scissors, tape measure, pins and chalk, although we will have these to borrow.

We are so pleased that you have chosen to learn at Backstitch and really hope you enjoy this experience.

Happy Sewing! **The Backstitch Team**
