

Backstitch is a fabric and haberdashery with an exciting retail and workshop space at Burwash Manor in Barton. We are looking for inspiring and knowledgeable tutors to run stitch craft workshops in the shop.

Workshops will be single or multiple sessions of around 3-4 hours long with between 4 and 8 students. We will run workshops that will be suitable for both beginners and more advanced students, and covering stitch crafts from dressmaking to knitting.

The purpose of these workshops is for a student to have a lovely time in a happy, creative environment, whilst learning a new skill and leaving with a handmade item to be proud of.
